## Education

Masters/PhD: bachelor degree Moscow Finance and Industrial Academy 2003-2007

Courses Taken: 12.2012 Learn to Program: The Fundamentals [Coursera.org](https://www.coursera.org)

## Interests

My interests are: Snowboarding, longboarding.

I want to switch my career to full-stack developer because it's interesting for me. I can create qualitative and stable applications with my experience.
